

**City of Salisbury
Fire Department**

Fire Chief

\$70,111 - \$85,465 DOQ

Full Range of Benefits

The City of Salisbury is looking for an energetic and detail oriented leader to serve in the capacity of Fire Chief.

Duties: Directs and manages a combination fire and emergency/medical services department through utilization of a diverse workforce in a rapidly changing diverse community; directs and oversees all department operations including budgeting, planning, general command and control of personnel; develops and implements policies and procedures; establishes and ensures enforcement of standards for maintenance of property and equipment; works towards achieving established performance measures and works with other City and County agencies on service delivery.

Requirements: Bachelor's degree plus ten years experience in firefighting and/or EMS with five years at a supervisory level in a fire department with combination service (preference given to degree related to fire service) or equivalent combination of education and experience; MD Fire Officer III certification or equivalent; National Registry Emergency Medical Technician; and MFRI Staff and Command School or Executive Fire Officer equivalent. Ability to supervise and coordinate the work of others; demonstrated experience in managing emergency services; working knowledge of modern computer applications; and ability to communicate effectively. A valid driver's license is required.

Closing Date: July 23, 2010 at 4:30 PM
