

City of San Diego

Fire Chief City of San Diego

One of the nation's largest and most desirable urban coastal communities, the **City of San Diego**, is seeking a new **Fire Chief**. Serving a population of more than 1.3 million across 331 square miles, the San Diego Fire-Rescue Department is supported by a budget of over \$190 million and uniformed and civilian staff totaling 1,279. The Department operates out of 47 fire stations and nine permanent lifeguard stations.

The ideal candidate will be a proven leader with a track record of consistent accomplishments and tangible success. Significant and broad senior level management experience that includes service in both operations and administrative capacities in a comparable community is strongly preferred. A Bachelor's degree or equivalent is highly desirable.

Starting salary approximately \$155,000 - \$180,000. Placement will be DOQE. This recruitment will close on **Friday, August 21, 2009**. Visit the TBC website to apply online and for detailed information about desirable qualifications, the Department and the City.
